

WINGS Safety Program

A refresher for those who live and fly in the north country with regard to winter weather conditions and hazards, updates on Flagstaff airport and tower operations, and a review of fatal accidents over the past year.

Directions: Wiseman Aviation hangar, Flagstaff-Pulliam airport

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
